Subject: Historic Protection Overlay for MartinezTown

Good Morning,

My name is Tom Tollison, I am a MartinezTown native, along with many of my ancestors. I own a few lots in MartinezTown.

My questions are the following:

I assume as I am in receipt of these notices that the affected properties include my properties (the "Hispanic Village") - How can I be certain/where do I check?

Does the Overlay propose any "down-zoning" of any of the affected properties in Martineztown?

Thank you,

Tom Tollison
